Boys' Brigade offers a range of outdoor adventure providers who have all been busy in 2023 running events across the country – from a 7 day Severn kayaking Challenge, to providing training for leaders to gain the E&OL qualifications, support to enable Coys to run DofE and 'Go Wild Challenge' resources, to a 6 day summer adventure camp, and of course the hiking challenges in Essex, North Yorks Moors & south Scotland. Plans are well advanced for another full programme for 2024 – find out about all this on our new dedicated webpage;
