Get into outdoor adventure with the BBMC in 2022

1. We welcome new 'members' – current BB leaders keen on outdoor activities who can contribute to these events.
2. Thanks to 2nd Reading Coy for permission to use photos.
3. The BBMC will consider any request from Coys & Battalions to provide support & training based on our capacity.
4. Designed for smaller Coys who don't run camps but may have a few keen members. Hopefully if we have enough BBMC leaders we can offer to capable Seniors to book without needing to be accompanied by a local leader – tbc.
